NOTICE

Ref. centralized delivery area for IMDG cargo at Tan Cang – Cat Lai port

Respectfully to:

- Shipping lines/Agents;
- Customers.

Saigon Newport Corporation (SNP) would like to express our sincere thanks for your valuable cooperation and support over the past years.

Tan Cang Cat Lai port (TCCL) is the major import-export gateway for not only Ho Chi Minh City but for the entire country. The import-export container throughput of TCCL accounts for approximately 93.6 % of the market share in Ho Chi Minh city area and about 37.9 % nationwide with a total volume of more than 5.5 million TEUs in 2020.

SNP is operating a 5.2-hectare yard dedicated for container containing dangerous cargo (IMDG container) at TCCL. This is a distinct category of cargo with high risks of fire and explosion, which requires many safety measures and fire prevention. Besides, the constant increase in volume of TCCL accompanied with the high number of vehicles entering/ leaving the port potentially put the IMDG container yard and adjacent areas of the port at high risk in terms of security, safety and fire prevention.

For the above reasons, from **April 3rd 2021**, TCCL will deploy the centralized delivery area for IMDG cargo. Customers' vehicles will pick-up/ drop-off IMDG container at the mentioned area then the port will arrange specialized means to classify, load, unload, and transport containers to the IMDG container yard.

The projected area requires numerous costs for investment and rendering necessary services in the centralized delivery area for IMDG cargo. Therefore, in order to cover a part of the cost, SNP would like to announce that from **April 15th 2021**, the service charge for transporting IMDG container from the centralized delivery area to the IMDG container yard (and vice versa) is applied as follows: **275,000 VND / 20'F, 400,000 VND / 40'F** (VAT included).

Others IMDG container service charges and surcharges are still applied under the prevailing tariff at TCCL port.

For the safety of port and cargo, we hope to receive the cooperation and support of both shipping lines and customers.

Best regards./.
